

# Desperation

Frenship

Desperation's setting in  
No matter how many times I go  
No matter how many times I go

I can't stand it  
I wanna rip off all my skin and jump into a lake with just bones  
You can't plan this  
I'm chewing through my cheek, everything I've done just feels cheap

I don't sleep like I used to  
I can't breathe I used to

Desperation's setting in  
No matter how many times I go  
No matter how many times I go

Desperation's setting in  
No matter how many times I go

Desperation's setting in  
No matter how many times I go  
No matter how many times I go

Desperation's setting in  
No matter how many times I go

I don't sleep like I used to

Desperation's setting in  
No matter how many times I go  
No matter how many times I go

Desperation's setting in  
No matter how many times I go
