

Pretend

Frenship

Hey it's gonna be ok

Everybody knows
How this ends
So let's just say we don't
And just pretend
We'll always be together
It might not look the same
We'll always be together
At least that's what we'll say
Let's just pretend
That it's not the end
Let's just pretend

It'll be ok
It'll be ok
It'll be ok
It'll be ok

It'll be ok
It'll be ok
It'll be ok
It'll be ok

Everybody knows
How this ends
So let's just say we don't
And just pretend
We'll always be together
It might not look the same
We'll always be together
At least that's what we'll say
Let's just pretend
That it's not the end
Let's just pretend

It'll be ok
It'll be ok
It'll be ok
It'll be ok

It'll be ok
It'll be ok
It'll be ok
It'll be ok

It'll be ok
It'll be ok
It'll be ok
It'll be ok

It'll be ok
It'll be ok
It'll be ok
It'll be ok

It'll be ok

It'll be ok
It'll be ok

It'll be ok
It'll be ok
It'll be ok

It'll be ok
It'll be ok
It'll be ok
