

## Hungry Jacks Carpark

Frenzal Rhomb

I'm in another planet(?), it could have been wretched(?). She's  
face-down in the oil stain of a lowered Subaru.

And she's turning cold, everything is old, Taking too much fun,  
(?) gone out to see (?) of opium (?), Don't know what to do, r  
otten shade of blue, Another case of stupid is as stupid does.

8:45 this bitter angel(?) has been shot right through the head,  
But he sure knows how to throw a party, blue fluroescent flash  
ing overhead.

And they're doing smack outside Hungry Jack's, Sunday 8AM, I wa  
nt more for them, get an ambulance, And a value meal, not your  
20 deal(?), Another case of stupid is as stupid does.

And she's turning cold, everything is old, Taking too much fun,  
another case of stupid is as stupid does. Don't know what to d  
o, rotten shade of blue, Another case of stupid is as stupid do  
es. Stupid is as stupid does. Stupid is as stupid does.
