

Never had so much fun

Frenzal Rhomb

I smoked a pack of cigarettes before midday,
I coughed up a lung around one,
I can't see a thing through my eyes that sting,
I can't remember having so much fun.

Well, I've never had so much fun.
No, I've never had so much fun.
I can't remember when I've ever had so much fun.

Can't drink the water in Sydney.
Can't eat the food in Japan.
And you can't breathe the air in Los Angeles,
but a million people think they can.

Now, I've never had so much fun.
No, I've never had so much fun.
I can't remember when I've ever had so much fun.

These wankers filled up with hatred,
why expect any less.
They can decide about genocide,
but I think it's time that they took a rest.

No, I've never had so much fun.
No, I've never had so much fun.
I can't remember when I've ever had so much fun.

I try to compensate blindly for mistakes,
I try to make things right.
I'm full of redemptions, I've the best intentions
but it's always ending up in a fight.

No, I've never had so much fun.
No, I've never had so much fun.
I can't remember when I've ever had so much
I can't remember when I've ever had so much
I can't remember when I've ever had so much fun.
I can't remember when I've ever had so much fun.
