

Blood Orange

Freya Ridings

Woo-ooh, woo-ooh
Woo-ooh, woo-ooh
Woo-ooh, woo-ooh
Now

All the nights that I give, clinging on with fingertips
To the love that never brings me no rescue
All the nights that I've cried, singing my own lullabies
Felt like love was never mine till I met you

How you breathe the life into my bones
With you in this world, I'm not alone 'cause

I got all the love that I need
I got all the love that I needed
I got all the love that I needed now
Even when I couldn't believe it
Blood orange tastes the sweetest
I got all the love that I needed now with you

Woo-ooh, woo-ooh
Woo-ooh, woo-ooh
Woo-ooh, woo-ooh
Now

Northern lights in my heart, now they're burning in the dark
Feel the fire warming up just for you
Just the taste of your lips, bittersweet from the first kiss
Could a life be like this here with you?

Darling breathe the life into my bones
With you in this world, I'm not alone 'cause

I got all the love that I need
I got all the love that I needed
I got all the love that I needed now
Even when I couldn't believe it
Blood orange tastes the sweetest
I got all the love that I needed now with you

Woo-ooh, woo-ooh
Woo-ooh, woo-ooh
Woo-ooh, woo-ooh
Now
Woo-ooh, woo-ooh
Woo-ooh, woo-ooh
Woo-ooh, woo-ooh
Now

All the love I'll ever need
It was right in front of me
In this blood orange tree, ooh
Now I'm falling with the leaves
And finally I see

I got all the love that I need
I got all the love that I needed

I got all the love that I needed now
Even when I couldn't believe it
Blood orange tastes the sweetest
I got all the love that I needed now with you

Woo-ohh, woo-ohh (Woo)
Woo-ohh, woo-ohh (Ooh)
Woo-ohh, woo-ohh
Now (Woo)
Woo-ohh, woo-ohh (Woo)
Woo-ohh, woo-ohh (Woah)
Woo-ohh, woo-ohh
Now

Woo-ohh, woo-ohh
Woo-ohh, woo-ohh
Woo-ohh, woo-ohh
Now
