

Holy Water

Freya Ridings

I've been in holy water
In holy water for you
You don't feel tortured
Feeling like I do

And I can't get enough, get enough
You just don't give up, don't give up, do you?
I still love you
But a circle above you
And you keep me holding on, you keep me holding on
To the top of where I wanna go
I still love you

I hate to feed the monster
To feed the monster
You don't feel hunger
Feeling like I do

And I can't get enough, get enough
You just don't give up, don't give up, do you?
I still love you
But a circle above you
And you keep me holding on, you keep me holding on
To the top of where I love you
I still love you

And I've been in holy water
In holy water for you
