

# Don't Do It

Frida

Don't do it  
Don't do it  
Don't look at me the way you do  
Don't do it  
Those eyes of yours  
Are much too blue  
Don't do it  
Don't do it  
Don't make me think  
This could be true  
Don't do it  
These lips so close  
Belong to who  
Don't do it

Don't come closer  
Stay away from me  
My heart is not prepared  
Why don't we wait and see  
Please give it time

Don't do it  
Don't look at me the way you do  
Don't do it  
Those eyes of yours  
Are much too blue  
Don't do it

I'm falling, falling, falling  
I'm falling in love with you  
I'm falling, falling, falling  
And there is nothing I can do  
You're falling, falling, falling  
You're falling the same way too  
We're falling, falling, falling  
And there is nothing we can do

Don't do it darling  
Don't do it  
Don't call me back  
I have to go  
Don't do it  
Oh, my resistance running low  
Don't do it  
Don't do it  
Don't tell me what I need to know  
Don't do it  
Oh, I may never let you go  
Don't do it

Don't come closer  
Stay away from me  
My heart is not prepared  
Why don't we wait and see  
Please give it time

I'm falling, falling, falling

I'm falling in love with you  
I'm falling, falling, falling  
And there is nothing I can do  
You're falling, falling, falling  
You're falling the same way too  
You're falling, falling, falling  
And there is nothing we can do

I'm falling, falling, falling  
I'm falling in love with you  
I'm falling, falling, falling  
And there is nothing I can do  
You're falling, falling, falling  
You're falling the same way too  
You're falling, falling, falling  
And there is nothing we can do
