

## DGIA Pt. 2

Fridayy

Don't give it away  
Don't call it selfish  
'Cause I want you to myself  
Don't give it away  
You know I'm right here  
You don't need nobody else

Tell me why you chosen violence  
You got all of me  
Shawty why you got me wilding  
I ain't asking for too much  
I'm just tryna give you guidance  
Don't you lose your way  
Tell me how the other side is  
Does it feel the same

Ain't no telling what I'd do  
If I catch you with someone  
Ain't no telling what I'd do

Don't give it away  
You know it's mine  
Tell me who gon' make you feel this way  
So many times I fucked up with you  
But I'm done with the games  
Act like I wanted you to leave  
But I need you to stay  
Don't give it away oh
