

Pray For Me

From Ashes to New

I'm always ready for a war again
Go down that road again, it's all the same
And I'm always ready to take a life again
You know I'll ride again, it's all the same
Tell me who's gonna save me from myself
When this life is all I know
Tell me who's gonna save me from this hell
Without you, I'm all alone

Who's gonna pray for me? And take my pain for me?
And save my soul for me? 'Cause I'm alone, you see
If I'm gonna die for you, if I'm gonna kill for you
Then I'll spill this blood for you, hey

I fight the world, I fight you, I fight myself
I fight God, just tell me how many burdens left
I fight pain and hurricanes, today I wept
I'm trying to fight back tears, flood on my doorsteps
Life a living hell, puddles of blood in the streets
Shooters on top of the building, government aid ain't relief
Earthquake, the body drop, the ground breaks
The poor run with smoke lungs and Scarface
Who need a hero?
You need a hero, look in the mirror, there go your hero
Who on the front lines at ground zero?
My heart don't skip a beat, even when hard times bumps the need

good
Then that's what it gotta be

Who's gonna pray for me? And take my pain for me?
And save my soul for me? 'Cause I'm alone, you see
If I'm gonna die for you, if I'm gonna kill for you
Then I'll spill this blood for you, hey

Just in case my faith goes, I'll live by my own
I'll live by my own, I'll live by my own
