

## Coming Home

From Dawn To Fall

And now I'm lost in a world  
Built with lies and fed with anger  
I had to leave a place I used to call my home  
When everything fell apart, nobody there to pick me up  
I had to find out what is real

I'm coming home, I won't give up finding you  
Until I feel your heartbeat next to mine  
Like a river I will spread my arms round every stone  
Crossing my way

So now  
I found a new world  
Built with love and fed with hope  
No more leaving because I'm at home  
If you now fall apart, I will be there to pick you up  
Because of you I found my destiny

I'm coming home, I didn't give up finding you  
Until I felt your heartbeat next to mine  
[next to mine, next to mine]  
Like a river I want spread my arms round every stone  
Crossing my way  
Like a river I have spread my arms round every stone  
Crossing my way

I've made my mistakes  
And so I had to pay  
I have learned my lesson  
So these mistakes were not in vain

I've made mistakes  
I had to pay  
I have learned my lesson  
So these mistakes were not in vain

I'm coming home, I didn't give up finding you  
Until I felt your heartbeat next to mine  
Like a river I want spread my arms round every stone  
Crossing my way  
Like a river I have spread my arms round every stone  
Crossing my way
