

# Beastmode

From Fall To Spring

I'm running in beastmode  
No cheatcodes  
I'm fine on my own, I don't need those  
All these jokes  
Want a piece now  
But I got no time for your creepshows

I will start it and be part of a  
Revolution you ain't seen coming and  
Won't be able to stop no matter what  
You will do and I bet you had enough (yeah)

You better listen up  
There is no way around me  
I am here to stay on top  
While you still feel surrounded  
Yeah better listen up  
Wanna hear no dumb shit  
Like this, can you feel?

Everybody rise up rise up, everybody go insane  
Everybody hands up hands up, everybody on their feet  
Even if you cannot believe, I follow my dreams  
Far out of reach, can't stop the beast

I'd like to confess  
That I'm really messed up but I can't stop  
The strife for success  
Will I ever give up, I guess not  
And you know what constantly  
Seems to bother me  
Is the lack of a shred of honesty  
Unexpected like an anomaly  
I'm the prodigy, don't you dare to speak

You better listen up, there is no way around me  
I am here to stay on top, while you still feel surrounded  
Yeah better listen up  
Wanna hear no dumb shit  
Like this  
Can you feel the ground shake?

Can you feel it?

Everybody rise up rise up, everybody go insane  
Everybody hands up hands up, everybody on their feet  
Even if you cannot believe, I follow my dreams  
Far out of reach, can't stop the beast

Can you feel it?  
(Can you feel it?)  
You better listen up  
Wanna hear no dumb shit  
Like this, can you feel?

Everybody rise up rise up, everybody go insane  
Everybody hands up hands up, everybody on their feet

Even if you cannot believe, I follow my dreams  
Far out of reach, can't stop the beast  
Everybody rise up rise up, everybody go insane

Everybody rise up rise up  
Wanna hear no dumb shit  
Rise up rise up  
Can you feel the ground shake?

Everybody rise up rise up, everybody go insane

I'm running in beastmode  
No cheatcodes
