

Believe

From Fall To Spring

Would you mind to stay, if I'm on my own?
Would you carry me back to my throne?
Would you mind to stay with me when I'm all alone?
Would you carry me back to my throne, throne, throne?

If only I could hear you say

Here I am, here I'll stay
I will never leave your side
Time goes by, day by day
We'll overcome your darkest times
So give me this chance tonight
To make you believe again
Give me this chance tonight
To make you believe in yourself again

I will pick you up when you are down
I will make you smile every time you frown, frown, frown

I thought that you should know by now
I'll always be there for you

Times will change but I will never leave your side
You got me for now and ever
My feelings never change and I am here to tonight
To tell you you'll never be alone again

(Give me this chance tonight)
(Give me this chance tonight)
(To make you believe in yourself again)

Here I am, here I'll stay
I will never leave your side
Time goes by, day by day
We'll overcome your darkest times
So give me this chance tonight
To make you believe again
Give me this chance tonight
To make you believe in yourself again

Would you mind to stay, if I'm on my own?
So here I am, here I am
Would you carry me back to my throne?
So here I stay, here I stay
