

I Feel It on the Back of My Neck

From Indian Lakes

I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck

All the houses burn
We're taking steps
It has to hurt
You're just a friend
And I'm ok
With all your changes
And now I'm holding up your hands
While you're asleep

I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck

Can I pretend
To be like you
I'm made of glass
I feel brand new
To share your high
It's contagious

I Feel It On The Back Of My Neck

I felt your brain
Inside my head
A pretty girl
I saw instead
Are you ok
The world is changing
And now she's holding up my hands
While I'm asleep

I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck

All this time
It wasn't there
But I looked around with my head up
Nothing left
Not a sound
But we're still the same we just grew up

All this time
It wasn't there
But I looked around with my head up
Nothing left
Not a sound
But we're still the same we just grew up

All this time

It wasn't there
But I looked around with my head up
Nothing left
Not a sound
But we're still the same

I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
I Feel It On The Back Of My Neck
