

I'm Right Here

From Indian Lakes

You can stay with me tonight
But you won't
I think I used to build you up
And you say I care too much
But I don't
Now you're acting so surprised
That I'm gone
You feel like you could give it up
I could feel you going under
And I know
It's not my job to make you right

But I'm right here
Yeah, I'm right here for you
If you want
But I'm right here
Yeah, I'm right here for you
If you want

Like a tree outside your window
Stuck in place
The seasons used to come and go
I could pick up all the pieces
But I won't
If you wait for me to come down
You grow old
You're standing by the telephone
It's a different kind of lonely
And I know
You won't come back the same again

But I'm right here
Yeah, I'm right here for you
If you want
But I'm right here
Yeah, I'm right here for you
If you want
But I'm right here
Yeah, I'm right here for you
If you want
But I'm right here
Yeah, I'm right here for you
If you want
But I'm right here
Yeah, I'm right here for you
If you want

But I'm right here
Yeah, I'm right here for you
If you want
But I'm right here
Yeah, I'm right here for you
If you want
