Even when everyone else told me it's not time
I never thought that way

Whenever I felt like I was alone
I always saw you standing next to me

Waiting for the day I dreamed of
Running while only looking forward
There was so much I was missing
I wished for luck
I didn't know cuz I was a fool
What I wanted was happiness

In the future that can't be seen
I want to kiss a four-leaf clover
But it won't come as easily
I'm missing such precious days

In the future that can't be grasped
I want to hug you like a three-leaf clover
Don't forget, the precious thing
Is that we can reach if we hold out our hands

Because the dreams were so big
I didn't want to give up
When I'm on stage
I make mistakes but I'm still smiling

No one knows about tomorrow
Some day, I'll rise up
So many things I wanna do
My dad once told me
But I seem to have forgotten
The most important thing is happiness

In the future that can't be seen
I want to kiss a four-leaf clover
But it won't come as easily
I'm missing such precious days

Look how big my eyes got
It's because I was so happy
Whatever happens
I'm so thankful for you who believed in me

Just close your eyes
Like a nine-petal flower
I promise you, I'll cherish this preciously
I'll wish for happiness and not luck

To the anxious future we'll walk toward
I want to take a step and kiss you
Tell me, will you stay there?
Will you spend the precious days with me?

In the future that can't be grasped
I want to hug you like a three-leaf clover
Don't forget, the precious thing
Is that we can reach if we hold out our hands
