Turururu ba sayla

Oh I get dyed with you
It might not get erased
Just like how fingernails get dyed with red

Opening up the white drawing paper

Shall we draw some stories that we were wanting to tell
That sweet secret that we have shared with each other

Which color shall I color you with
Which pen should I use to draw you
The more I fall into you, the harder it is
I think you're the one coloring me in first
I keep getting dyed with pink
Dyed dyed dyed
You're in big trouble

Turururu ba sayla
Turururu ba sayla

Oh, do you see my heart
I'm sitting right next to you
Everyday I fly over

Should I fill this empty note
And jot down my heart that consists of falling stars
My own secret that you will open and look at alone

Which color shall I color you with
Which pen should I use to draw you
The more I fall into you, the harder it is
I think you're the one coloring me in first
I keep getting dyed with pink
Dyed dyed dyed
You're in big trouble

Turururu ba sayla
Turururu ba sayla

Inside my world
When you lightly walk inside, my heart melts down
Like a dream, like a dream, tell it to me everyday, I love you

Which color shall I go closer to you with
Which scent shall I greet you with
My head is busy inside everyday with you
After containing you inside a small camera
You're standing there looking similar to me
Dyed dyed dyed
I'm in big trouble
