What do I do?
My head hurts because of you
I feel like woo hu woo hu woo
(Hu woo hu woo)
Every time you open your mouth, you lie

OK! I won't let you go anymore, I'll make you into Pinocchio
Ha ha check it, your eyes, nose, lips
Casting a spell, follow me and say it
Pa pa party time
Lalala lala

I'll melt your heart, put together a new one and blow in a breath
Softly, softly baby
I'll draw your eyes, and shake shake shake your arms and legs
Now you're gonna dance

Oh my, you're Pinocchio, can't believe it
It's so obvious, your nose is growing
Oh my, you're Pinocchio, can't believe it
No more lying or else you'll be in trouble baby boy

Hey boy, how should I heal my broken heart? Doctor
Please tell me the answer
Your red heart
You can try getting in trouble but now
I'm gonna do whatever I want
Pa pa party time
Lalala lala

I'll melt your heart, put together a new one and blow in a breath
Softly, softly baby
I'll draw your eyes, and shake shake shake your arms and legs
Now you're gonna dance

Oh my, you're Pinocchio, can't believe it
It's so obvious, your nose is growing
Oh my, you're Pinocchio, can't believe it
No more lying or else you'll be in trouble baby boy

Tell me boy, stop pretending to do something else
I won't let you go from now on
You're mine, stop! Let's do it

You keep giving excuses
This is too much, stop acting so cautious
Now a magic show will being
Without anyone knowing
You you you you

Oh my, you're Pinocchio, can't believe it
It's so obvious, your nose is growing
Oh my, you're Pinocchio, can't believe it
No more lying or else you'll be in trouble baby boy
