You, the early morning sun is too  
Hot and just makes me irritated  
Even when it's wet, my throat still dries  
At that time, call me, I'll be right there from now

Nine-one-one, calling, calling  
Sticky, sweaty, sweaty  
In this tired city, I'll wake you up, my siren  
I like that, as long as you're there, I'm okay

Anytime day and night  
Hit me, hit me up, hit me, hit me up now, oh  
In your heart's delight  
Show me right now, yeah, show me right now, ooh  
Super, super, supersonic, supersonic, uh  
Super, super, supersonic, supersonic, uh

By my side  
Show me right now, yeah, show me, oh, supersonic

Heat and sweat, in one breath, blow hard  
We got that, let's go with the flow  
The changed temperature, rising excitement, overload  
Now dive in, ready, set, you go

Don't be worried, the hot heat  
With just one gesture, everyone holds their breath  
You'll like that, anytime, anywhere  
I'll be there

Anytime day and night  
Hit me, hit me up, hit me, hit me up now, oh  
Your heart all untied  
Show me right now, yeah, show me right now, ooh  
Super, super, supersonic, supersonic, uh  
Super, super, supersonic, supersonic, uh  
By my side  
Show me right now, yeah, show me, oh, supersonic

When summer comes again  
You can tell without saying  
A way to save your tired self  
For you

A long day and night  
Hit me, hit me up, hit me, hit me up now, oh  
Your heart all untied  
Show me right now, yeah, show me right now, ooh  
Super, super, supersonic, supersonic, uh  
Super, super, supersonic, supersonic, uh  
Don't deny  
Show me right now, yeah, show me, oh, supersonic
