Here: every eye is a mirror
Here: every act is a crime
Here: every present's a poison
Here: every wall is a spy

When you say 'turn', they all start to turn
When you say 'dive', they're all on their knees

Pretending to guide me, you led me astray
And I don't want to fall into your kind of ways
I will never sway
(And see things that way)

Here: every move is an error
Here: every breath is a fact
Turn! start! turn! dive!
Here: every ear is a danger
Here: every smile is a trap
Here...

Pretending to guide me, you led me astray
And I don't want to fall into your kind of ways

Break
I know you'll never take me
Don't even think you'll break me
Be sure you'll never take me
I'm gonna make you see!
Here: every look is a murder
Here: every word is a bite
Turn! start! turn! dive!
