

# Get Buck

Fronzilla

Got something on your mind get buck with it  
Players getting out of line cant fuck buck with it  
People bitchin all the time get buck with it  
Bitches wanna steal my fucking style but can't fuck with it  
[x2]

Simmer down people runnin round my town  
Spreading all kinds of rumors  
That's the shit that puts you down  
Fuck em

Always talkin but they never have a reason  
You should watch your fucking neck  
Because we in the hunting season  
Tell em

Yeah people bitchin all the time  
I just close my eyes and fly bitch  
Its my century to shine  
Yeah people bitchin all the time  
All these first world problems  
You can blame it and you die

Got a fucking problem say what (what)  
Move it from the back to the front (front)  
Fuck a damn opinion just get buck  
None of us will ever give a fuck  
[x2]

Got something on your mind get buck with it  
Players getting out of line cant fuck buck with it  
People bitchin all the time get buck with it  
Bitches wanna steal my fucking style but can't fuck with it  
[x2]

I'm a mean motherfucker  
I can kill em with my kindness  
I just kill em with my flows  
And make em bow to me the highness

I got one fucking problem in the world - that's bitches  
Yeah you better keep your mouth shut  
You know we fuck snitches  
Tell em

Yeah people bitchin all the time  
I just close my eyes and fly bitch  
Its my century to shine  
Yeah people bitchin all the time  
All these first world problems  
You can blame it and you die

Got a fucking problem say what (what)  
Move it from the back to the front (front)  
Fuck a damn opinion just get buck  
None of us will ever give a fuck  
[x2]
