

Experiments in Mass Appeal

Frost*

I don't care if you don't mind
Modern life's the mocking kind
But tell me how I came to be
Married to my enemy?

Of all the things you want to be
The earth beneath the industry
An ideal and an innocence
The moral ends the consequence

Core desire
Oh, it's a real live wire
Setting my life on fire
Oh, it's unreal...

Forever
Immortally
Endeavour
A god I'll be
Remember reality
I'm not the one who owns me

Victims of demography
Just product in a category
Testing what you think and feel
Experiments in mass appeal

Core desire
Oh, it's a real live wire
Setting my life on fire
Selling my soul for the liar
Oh, it's unreal...

Forever, immortally
Endeavor, a god I'll be
Remember, reality
Forever, immorally

Forever
Immortally
Endeavour
A god I'll be
Remember reality
