

A new kind of love

Frou Frou

A new kind of love
Genetically altered
Enough of love live
And I can't believe its not love

I can't help myself
And you don't have to say that
It sparks across flesh
You'll feel it kicking in soon

Are you falling in love
I've a feeling you are
Are you falling in love
With a feeling

So you're running late
And it's not even live you
You were doing so well
Did the dog eat your homework again

I can't help myself
'Cause my friend says in real life
It's only the police
That ever come looking for you

Are you falling in love
I've a feeling you are
Are you falling in love
With a feeling

Are you falling in love
Or only feeling you are
'Cause if you are falling in love
Let me feel it

I've been busy, you know that
You know you're just saying that
Are you going to get that
Whats that supposed to mean

I've been busy, you know that
You know you're just saying that
Are you going to get that
Whats that supposed to mean

Are you falling in love
I've a feeling you are
Are you falling in love
With a feeling

Are you falling in love
Or only feeling you are
'Cause if you're falling in love
Let me feel it
