Diving By 4 Strings

Frou Frou

Tell me a secret
I'll tell you mine
Tell me about desires you hide inside
There is so much that we should've done
I was insecure, but now I'm strong

Diving. Whatever it may take I
keep on trying. Diving into you
Diving. Knowing it was you I keep
on trying. Diving into you. Diving
into you.

I'm Diving, into the blue

We are rising
Celebrate the night
It was you who showed me
how to fly

Diving. Whatever it may take I
keep on trying. Diving into you
Diving. Knowing it was you I keep
on trying. Diving into you. Diving
into you.

Diving. Whatever it may take I
keep on trying. Diving into you
Diving. Knowing it was you I keep
on trying. Diving into you. Diving
into you.
