

Sane Again

Frou Frou

N'dah doo doo dah
N'dah doo doo
N'dah doo doo dah
N'dah doo doo

Don't let it confiscate
Every dream you are
Until the hard world
Has you in its snare

You're a beautiful car crash
Serene in your distress
Don't dam the softness
You're inured to repress

I'll be kissing you sane again
Kissing you sane again
Oh darling, sane again
Ungiddy me sane again

N'dah doo dah deh
N'dah doo dah deh
N'dah doo dah deh

Subtending no longer
The darkness of who am I
You will see through this
And you will still be you

I'll be kissing you sane again
Kissing you sane again
Oh darling, sane again
Ungiddy me sane again

N'dah doo dah deh
N'dah doo dah deh
N'dah doo dah deh

N'dah doo doo dah
N'dah doo doo
N'dah doo doo dah
N'dah doo doo

Sane again
Kissing you sane again
Oh darling, sane again
Ungiddy me sane again

N'dah doo dah deh
N'dah doo dah deh
N'dah doo dah deh
