

## Salvation

Frown

She's like a vamp  
She'd like to be satisfied  
He's like a Christ  
A god who loves her

Now she's gonna cry

Tears are falling on his hands  
When the stone shades her soul  
Severe winds bending red firs  
She prays on his grave

She's gonna cry  
She wants to die

Salvation...

Salvation filled lovely heart  
The secrets and desires  
A lily tortured by temptation  
One watching the moonlapse
