

Buffalo & Deer

Fruit Bats

Oh what a day for sunshine
Oh what a day for blue skies
Oh what a day for sunshine
Oh what a lazy day

Fireflies like remoras sticking to the skin, lighting up the sky
Buffalo and deer have trampled trails into the ground

Oh what a day for sunshine
Oh what a day for blue skies
Oh what a day for sunshine
Oh what a lazy day

La la la la la
La la la la la

Oh what a day for sunshine
Oh what a day for blue skies
Oh what a day for sunshine
Oh what a lazy day

Fireworks are going off, you could blow your finger off
Buffalo and deer have trampled trails into the ground
Lightning struck the same place a thousand times
Lightning struck the same place a thousand times
Lightning struck the same place a thousand times
Lightning struck the same place a thousand times
Lightning struck the same place a thousand times
Lightning struck the same place a thousand times
Lightning struck the same place a thousand times

Oh what a day for sunshine
Oh what a day for blue skies
Oh what a day for sunshine
Oh what a lazy day
