

# Cherub Rock

Fruit Bats

Freak out and give in  
Doesn't matter what you believe in  
Stay cool  
And be somebody's fool this year  
'Cause they know who is righteous, what is bold  
So I'm told

Who wants honey?  
As long as there's some money  
Who wants that honey?

Beware beware  
All those angels with their wings glued on  
'Cause deep down  
They are frightened and they're scared  
If you don't stare

Who wants honey?  
As long as there's some money  
Who wants that honey?

Let me out  
Let me out  
Let me out

Tell me all of your secrets  
I cannot help but believe this is true  
Tell me all of your secrets  
I know, I know, I know  
I should have listened when I was told

Who wants that honey?  
As long as there's some money  
Who wants that honey?
