

## It Must Be Easy

Fruit Bats

It must be easy when they pay you to sing  
Even easier being [?] to think about the things  
That other people think  
Life is easy when you've learned how to be  
Even easier when not haunted or tempted by dreams  
Of how you're supposed to be  
Or what you're supposed to need  
To be who you're supposed to be

Must be easier when you're there  
Seems a little better than here  
It must be easier when they pay you to play  
You say how you feel today  
Oh they'll pay you to sing  
And tell everyone your dream

Must be easy when you hover above  
Even easier when you don't have to fight for your love  
The people just come  
They just seem to line up  
To pay you to sing  
They pay you to sing  
They pay you to sing
