

Always Be Mine

FTISLAND

Oh-oh
Ooh-ooh, ooh-ooh-ooh
Yeah-eah-eah, oh-oh

I hear you breathe
You're lying close to me
The shadow's gone
I have found my peace, oh-oh, oh-oh

You make me calm
With you, I'm safe from harm
And right by your side
I'll stay through the night 'til eternity
That's the way it will be

And I wonder what you're dreaming of
You're so peaceful when you sleep
Everything I want, everything I need
Is lying here in front of me, oh, yeah-eah

And if I ever lose my power to fly
Then your love takes me high
I'll always be true to you
Sometimes, I think I might lose it all
Guess the chances are small
'Cause you hold me close, I feel you near
Don't let go, say you'll always be here
Just hold me tight and I'll be fine
Dreaming you will always be mine, oh-oh-oh

Just like the sun (Just like the sun)
You make me warm inside
Like a soft, summer breeze
A moment to seize, so true
I won't stop loving you

And I wonder what you're dreaming of
You're so peaceful when you sleep
Everything I want, everything I need
Is lying here in front of me, oh-oh-oh, oh, no-o

And if I ever lose my power to fly
Then your love takes me high
I'll always be true to you
Sometimes, I think I might lose it all
Guess the chances are small
'Cause you hold me close, I feel you near
Don't let go, say you'll always be here
Just hold me tight and I'll be fine
Dreaming you will always be mine

Oh-oh, oh
Ooh-ooh, ooh-ooh-ooh
Na, na-na-na
La-la-la, la-la-la
Mm-mm, mm-mm

And I wonder what you're dreaming of
You're so peaceful when you sleep
Everything I want, everything I need
Is lying here in front of me, oh-oh-oh-oh, oh, yeah-eah

And if I ever lose my power to fly
Then your love takes me high
I'll always be true to you
Sometimes I think I might lose it all
Guess the chances are small
'Cause you hold me close, I feel you near
Don't let go, say you'll always be here
Just hold me tight and I'll be fine
Dreaming you will always be mine, oh, oh-oh-oh
Dreaming you will always be mine
