I've been waiting
For this night
I just wanna love tonight

Only you come into me, you still remain in my memories
Under the flashing lights, you're dancing, we're becoming one
The frozen time only goes towards you
I can't be with anyone else but you

In the swaying rhythm

We're forgetting about tomorrow
I WANNA DANCE WITH U

Don't stop, come a little closer
To the left to the right
To no end, la la la
This growing trembling and pull
Fills me up with you on this long night

Drunk with the atmosphere, I'm falling in your pulling eyes
All other eyes or conversations are being painted black
The frozen time only goes towards you
I can't be with anyone else but you

In the swaying rhythm
We're forgetting about tomorrow
I WANNA DANCE WITH U

Don't stop, come a little closer
To the left to the right
To no end, la la la
This growing trembling and pull
Fills me up with you on this long night

With the beautiful you on this dazzling night
You're getting farther away like a disappearing dream
Don't let go of me
I WANNA DANCE WITH U

Don't stop, come a little closer
To the left to the right
To no end, la la la
This growing trembling and pull
Fills me up with you on this long night

Don't stop, come a little closer
To the left to the right
To no end, la la la
This growing trembling and pull
Fills me up with you on this long night
