

Just Do It

FTISLAND

Ima dake de ii toki wo tomete
Shibararezu tada asobitai dake
Yutori nado nai sekai tsumekomareta bokura sa
Tama ni tachidomatte mo I guess that's the way

Put your hands up in the sky now
And shout out loud
Kono shunkan Even myself
Wasurete shimau hodo

(I) don't know what to do
We just do it
Chigau keshiki wo mitatte ii
(I) don't know what to do
We just do it
Kawaru jibun ni deaitai

Nasakenasa toka mina kakaete
Ikiteru no nara I feel the same way
Gomakasu hitsuyou wa nai jibun wa itsuwarenai
Tometa hari ugokeba mata tsugi no Stage

Put your hands up in the sky now
And shout out loud
Kono shunkan Even myself
Wasurerarereru nara

(I) don't know what to do
We just do it
Kodama suru kokoro ni
(I) don't know what to do
We just do it
Motto atsuku ikitai

Just it's good now to stop the time
If you're still tied up, just play
We are packed up with no freedom in this world
Just stop occasionally and I guess that's the way

Put your hands up in the sky now
And shout out loud
This moment Even myself
It's enough to forget it

(I) don't know what to do
We just do it
Let's say I saw a different scenery
(I) don't know what to do
We just do it
I want to meet and see my own change

Everyone can do it
If you're alive I feel the same way
You don't need to deceive yourself

If you stop, but still you need to move to the next Stage

Put your hands up in the sky now
And shout out loud
This moment Even myself
It would be forgotten

(I) don't know what to do
We just do it
It's in my echo and my mind
(I) don't know what to do
We just do it
I want to live more even if it's burning

Running on All my life
Continue running always
Moment Forever
Don't look back now

(I) don't know what to do
We just do it
(I) don't know what to do
We just do it

(I) don't know what to do
We just do it
Let's say I saw a different scenery
(I) don't know what to do
We just do it
I want to meet and see my own change
