

I can't I can't I can't forget you
Twinkle Twinkle Your shining eyes
□□□□□□ Can't take my eyes off
It's because of you

□□□□ Golden hair
□□□□□□ More than words
□□□□□□ Lovesickness
□□□□ □□□□□□□□

□□□□ It's really magical
You can switch my world □□□□□□
I'm under your spell□

Like a lightning You gave a shock to me
All day all night long □□□□□ Fly

Touch the sky
Touch the sky
Touch the sky

Time flies, everything goes
Nothing's gonna stop
□□□□□ Can't go against
□□ □□□□□ Why did we meet up there□
I have no reason, just fall in love

□□□□ It's really magical
You can switch my world □□□□□□
I'm under your spell□

Like that white clouds Never catch up with you
All day all night long □□□□□Fly

Touch the sky
Touch the sky
Touch the sky

□□□□□□□□□□ □□□□□ By my side
□□ □□□ □□

Fly

□□□□□□ □□ Into the sky

Touch the sky
