

# The One

FTISLAND

As long as I'm with you  
I can't go wrong  
Oh, baby, what you do to me  
You're the one

I've been trying to see you (See you)  
For such a long, long time (Such a long, long time)  
Maybe I'm just sad to face that I  
Was out of line

When it comes to loving you  
All the things that I would do

Been waiting for this day for far too long  
I never could imagine it so strong  
As long as I'm with you, I can't go wrong  
Oh, baby, what you do to me  
You're the one

How I try to reach you  
Oh, in every way I can, baby (Every way I can)  
But it's hard to find a way to show  
That I'm your man (That I'm your man)

When it comes to loving you  
All the things that I would do (Ooh-ooh-ooh-ooh)

Been waiting for this day for far too long  
I never could imagine it so strong  
As long as I'm with you, I can't go wrong  
Oh, baby, what you do to me  
You're the one

When it comes to loving you  
All the things that I would do  
Oh, yeah-eah-eah

Been waiting for this day for far too long  
I never could imagine it so strong  
As long as I'm with you, I can't go wrong  
Oh, baby, what you do to me, baby  
Been waiting for this day for far too long (Woah, yeah)  
I never could imagine it so strong  
As long as I'm with you, I can't go wrong  
Oh, baby, what you do to me  
You're the one (Ooh-ooh, you're the one)  
Oh, baby, what you do to me  
You're the one
