

Time

FTISLAND

Time is never gonna stop
Nagasareru dake sakaraenai
Kore ga kitto unmei tte narete yuku hazudatta no ni

Do you know? Kakushi teta te ni oenai mama de

Tell me why? Oborete yuku no fukaku
Let me alone anytime nani mo iranaikara

Tachidomaru no wa waruikoto?
Sono ushirometa-sa kowakute
Mogakinagara iki o tsunai deta toki ni nomikoma renai yō ni

Close my eyes ashita ga konai yoru mo
Don't chase me anymore bokuhakokonīru

Doko made iku no?
Nan'notamena no?
Dareka ni toikakete mo
I only hear my heart's cry

Oh why oborete yuku fukaku
I don't know I don't know, tell me
Calling you bokuhakokonīru yo
I don't know I don't know, tell me

Time is never gonna stop
