

Drive

Fu Manchu

And since
I got
This ride
Money spent
So far so good
Down low
Off we went
This time
At last
The rules
One chance
The crowd
They scream
For more[?]
Oh, man

Drive, drive, drive
Drive, drive, drive

Last place
Last show
Last race
I know
Last place
Last show
Last race
I know

So back
On course
In last
Full pull
We looked
On through
And pushed
Man, oh man
The time[?]
It stops
We're clear
Redline
So left behind
For good
One more time

Drive, drive, drive
Drive, drive, drive

Last place
Last show
Last race
I know
Last place
Last show
Last race
I know

...

Drive, drive, drive
Drive, drive, drive
