

I Can't Hear You

Fu Manchu

Feel the rage on the page for the 15th time today
I can't hear you
Time brings the same, no matter if it's night or day

I can't hear you
I'm feeling blessed by less so it's time for my last guess
I can't hear you
There was a pen at the end of a day that never began
I can't hear you
I rip inside, give me time to reveal just what I find

I can't hear you
Everything that I see is just between you and me
I can't hear you
Watch it land out of hand, no one's gonna notice that
I can't hear you
Like a kid at the end of everything I said
I can't hear you
I can't hear you
