

(I've Been) Hexed

Fu Manchu

You've read the stories
You've heard the news
It's a worldwide panic
Happening soon (Happening soon)

We wait in silence
In an empty room
Last hundred years
Decipher what to do

I've been hexed
See it in your eyes
I've been hexed
Over human drive
I've been hexed
See it in your eyes
Over and over by design

Live the same day
Again and again
You have no answer
To where and when (to where and when)

Time was upon us
Always concern
Obey and say
From beyond return

I've been hexed
See it in your eyes
I've been hexed
Over human drive
I've been hexed
See it in your eyes
Over and over by design

Overlooked
Pushed aside
Fast approaching
Amplified

I've been hexed [x5]
