

Jailbreak

Fu Manchu

Tonight there's gonna be a jailbreak
Somewhere in this town
Me and the boys we don't like it
We're getting up and going down
Hiding low, looking right to left
If you see us coming I think it's best
To move away, do you hear what I say
From under my breath

Tonight there's gonna be a jailbreak
Somewhere in the town
Tonight there's gonna be a jailbreak
So don't you be around
Don't you be around

Tonight there's gonna be trouble
Some of us won't survive
See me and the boys mean business
Busting out dead or alive
I can hear the hound dogs on my trail
All hell breaks loose, alarm and sirens wail
Like the game if you lose
Go to jail

Tonight there's gonna be a jailbreak
Somewhere in the town
Tonight there's gonna be a jailbreak
So don't you be around
Tonight there's gonna be trouble
I'm gonna find myself in
Tonight there's gonna be trouble
Better stay with a friend

Breakout

Tonight there's gonna be a breakout
Into the city zones
Don't you dare to try and stop us
No one could for long
Searchlight on my trail
Tonight's the night all systems fail
Hey you, good looking female
Come here

Tonight there's gonna be a jailbreak
Somewhere in the town
Tonight there's gonna be a jailbreak
So don't you be around
Tonight there's gonna be trouble
I'm gonna find myself in
Tonight there's gonna be trouble
Better stay with a friend
