

(Time Is) Pulling You Under

Fu Manchu

Eyes of the blessed
Soon to return
Eyes of the blessed
Invisible concern

Sit, watch, wonder
Time is pulling you under
Sit, watch, wonder
Time is pulling you under

Dragging you down
Who are they to say?
Dragging you down
On the dullest day

Sit, watch, wonder
Time is pulling you under
Sit, watch, wonder
Time is pulling you under

Time is pulling you under
Time is pulling you under
Time is pulling you under
Time is pulling you
