

## Time To Fly

Fu Manchu

Hidden behind my chevy's walls  
-everytime  
That's where ill be.. that's wher I'm at  
I'm doing fine  
And did you know? that's wher ill go  
-I'm getting mine-  
Its time to fly  
Its time to fly  
Anodized and gettin' wider  
-streamlined-  
Its time to fly  
Buh bye  
I'm gone  
Blink of an eye  
Its a roomy is what they tell me  
-dynamite-  
Got a tear drop and a diamond  
A cats eye  
Its time to fly  
Its time to fly  
Half a one..  
Six of the other  
-that's right-  
Its time to fly  
Bye-bye  
Well I'm gone  
Blink of an eye eye
