**Fuck the Facts**

distraught. they said. confessions were made. written off  
and then committed. my atrocity. life threatening. one  
touch, can be deadly. should we snap. we falter. seven  
minutes left. someone's breath could have said. someone's  
gonna die, sometimes life just can't be fair. I think  
you're gonna die. I think you're gonna lose your smile.  
light scent, subtle touch, subtle touch, completely shut.  
I think you're gonna die. I think your gonna lose you're  
smile. lose your smile and lie. completely shut off. down  
the throat. deadly mouthful. in the hopes that they'll  
take action. express concern, there's not much time left.  
someone's breath could have said. someone chopped off his  
leg. sometimes past can't be changed. loud noise warning  
scent. efforts have turned down the chances. small cracks  
losing sight sent back home. it's now too late. I think  
you're gonna die. I think you're gonna lose your smile.  
hang on to your breath. she's the ears you're the eyes.  
something has to change. efforts made, one existence.  
he's gonna die. I think you're gonna lose your smile.  
cause the death of several people around the world.
