

Two Hearts

Fuel

I don't know
I don't know which side I'm on
I don't know my right from left
Or my right from wrong
They say I'm a fool
They say I'm nothing
But if I'm a fool for you
Oh, that's something something something something

Two hearts beat as one
Two hearts beat as one
Two hearts

Well I can't stop the dance
Maybe this is my last chance
I can't stop the dance

Well I don't know
How to say what's got to be said
I don't know if it's black or white
Or if I see it red
I don't get the answers right
I'll leave that to you
Is this love out of fashion
Or is it the time of year
Are these words a distraction
To the words you long to hear

Two hearts beat as one
Two hearts beat as one
Two hearts

Well I can't stop the dance
Maybe this is my last chance
I can't stop the dance
Maybe this is my last chance
I can't stop the dance

Two hearts beat as one
Two hearts beat as one
Two hearts beat as one (I try to spit it out, I try to explain)
Two hearts beat as one (The way I feel)
Two hearts beat as one
Two hearts beat as one
Two hearts
