My skin is my shield But who's to save me from inside Wretched as if To procreate from genocide

See how it tried to fly Wings that are kryptonite

I wanted to fell this
I'm thinking of trying to fly
'Cause if I get my ins
I'll walk the sky

All that is ill
And all I fight to keep inside
Grips me until
The point of breaking's no surprise

See how it tried to fly Wings that are kryptonite

I wanted to feel this
I'm thinking of trying to fly
'Cause if I get my ins
I'll walk the sky

I wanted to feel this
I'm thinking of trying to fly
'Cause if I get my ins
I'll walk the sky

I wanted to feel this
I'm thinking of trying to fly
'Cause if I get my ins
I'll walk the sky
