

Blueprint

Fugazi

I'm not playing with you,
I'm not playing with you,
I'm not playing with you,
I clean forgot how to play.
But you can still come around,
In fact I invite you down,
Maybe together we can wipe that smile off your face.
'Cause what a difference, what a difference, what a difference
A little difference would make.
We'll draw a blueprint, it must be easy,
It's just a matter of knowing when to say no or yes.
Frustrating, frustrating, always waiting for the bigger axe to
fall.
A patient game that I can't find my way to play.
Never mind what's been selling,
It's what you're buying
and receiving undefiled.
