Five Corporations

Moves so slowly Grows so smoothly Takes so neatly It's as if they belong and they've been here all along Grows so smoothly Moves so slowly Takes completely It's as if they belong and they've been here all along This one's ours let's take another Check the math here check in ten years Clusterfuck theory buy them up and shut them down Then repeat in every town Every town will be the same This one's ours let's take another Five corporations there is a pattern
