Fujii Kaze

I need time, love, joy  
I need space, love  
I need... me  
(Action!)

Say hello to the girl that I am  
You're gonna have to see through my perspective  
I need to make mistakes just to learn who I am  
And I don't wanna be so damn protected

There must be another way  
'Cause I believe in taking chances  
But who am I to say what a girl is to do?  
God, I need some answers

What am I to do with my life? (You will find it out, don't worry)  
How am I supposed to know what's right? (You just gotta do it your way)  
I can't help the way I feel  
But my life has been so overprotected

I'll tell 'em what I like, what I want, and what I don't  
But every time I do, I stand corrected  
Things that I've been told, I can't believe what I hear about the world  
I realize I'm overprotected

There must be another way  
'Cause I believe in taking chances  
But who am I to say what a girl is to do?  
God, I need some answers

What am I to do with my life? (You will find it out, don't worry)  
How am I supposed to know what's right? (You just gotta do it your way)  
I can't help the way I feel (Help the way I feel)  
But my life has been so overprotected

I need time, love  
I need space  
(This is it)

I don't need nobody telling me just what I wanna  
What I, what, what I'm gonna (I need) do about my destiny  
I say no, no, nobody's telling me just what I wanna do, do  
I'm so fed up with people telling me to be someone else but me (Action!)
