

# Kingdom Undone

Full Blown Chaos

One man to rule them all  
Conceived son of God  
He will destroy us  
Bleed the world dry  
Power corrupted  
Infected mind  
Unholy messenger  
Drank blood, of the martyr  
Deceived and in denial  
Betrayed by belief  
Enslaved to an enemy  
Involved in our prayers  
Darkened harvest  
Reaped their souls  
Lambs to the slaughter  
Kingdom undone  
The sleeper has awaken  
Lay down your crown, your reign is over  
Raging angles, battle no more  
Might have fallen  
Lay down your crown, your reign is over  
The sleeper has awaken  
One man to rule them all  
Conceived son of God  
Power corrupted  
Infected mind  
Achieved and in denial  
Betrayed by belief  
Lambs to the slaughter  
Kingdom undone  
The sleeper has awaken  
Raging angles, battle no more  
Kingdom undone, your throne in ruins  
Enemy of the world, praise our new lord  
The might have fallen, lay down your crown, your reign is over  
Conceived and in denial  
Betrayed by belief  
Lambs to the slaughter  
Kingdom undone  
The sleeper has awaken
