

## Armory of Obsidian Glass

Full of Hell

Cavern of dreams  
Gnashing walls  
Leaning obtuse  
Crushing, gripping  
Built up for millennia  
A prison beyond death  
Memorial fog  
Thicker than mud  
A whimper refracts  
As a howl

Sightless obsidian  
Wallowing armory  
Sightless obsidian  
Wallowing armory  
Sightless obsidian  
Wallowing failure

Beyond the door are many doors  
Beyond the window are many windows  
They will always be locked and sealed  
There will always be a defeat

Cavern of dreams  
Gnashing walls  
Sightless obsidian  
Wallowing failure

Beyond the door are many doors  
Beyond the window are many windows  
Beyond the door are many doors  
Beyond the window are many windows  
Beyond the door are many doors  
Beyond the window are many windows
