

## Broken Sword, Rotten Shield

Full of Hell

Broken sword. Rotten shield

All warriors fall on the field  
Old hymns for a broken sword  
All lords drink from the sewer  
Empty prayers for a rotten shield

The sting of loss remains cruelest  
Broken sword. Rotten shield  
Old hymns. Empty prayers

Human disintegration  
Erosion of will and devotion  
The toll of dedication  
The faltering of plate mail armor  
Enraptured with the fog of war  
And certainty of failure

The sting of loss remains cruelest  
Broken sword. Rotten shield  
Old hymns. Empty prayers

All oaths broken  
Fallen knight dies  
All oaths broken  
Fallen knight dies
