

## Rubble Home

Full of Hell

Lightning on dead trees  
Memory erased  
Repeating notes on a grand scale  
A hammer set down; free from work  
To rust and decay and ruin for ages  
Alienated by everything  
Aside from my own shortcomings  
The weight of my mistakes crashing down in front of me  
A rubble home to shield from hell on earth  
Limited life in this rubble  
Useless error  
Tribulations
